Winemaker: Oliver Rapson

Alc/Vol (%): 13.1  
pH: 3.56  
TA (g/L): 6.9  
Cellaring: 5 years  
Cases: 120

## VINES

Single vineyard.  
Rarely grown in its original home of Medoc, Carmenere has found a new life in the new world. Today this rare and unusual variety calls the eastern slope of Mt Camel home, thanks to the superb team at Humis Vineyard.

## THE NÉGOCIANT SERIES

Négociant is a word used to describe someone who buys their raw materials i.e. grapes and then produces, bottles and markets it under their own label.

The Lyons Will Négociant Series is a rare collection of agreements we have made with outstanding growers that make something truly different or special.

## VINIFICATION

Sustainable vineyard management and 100% hand picked.  
Bunch sorted. 100% destemmed, then cold soaked for 5 days.  
Wild fermentation in open vat, four weeks on skins.  
Pressed at dryness to old French barriques for 12 months maturation.  
Unfined, unfiltered, vegan.
